Annual Report

'Reach high, for stars lie hidden in your soul
Dream deep, for every dream leads the goal.'

We delight in the beauty of the butterfly but rarely admit the changes it has gone through to achieve that beauty, It is the changes that we all go through our lives that constantly improves us.

In Jaypee Vidya Mandir Chandpur we believe that every individual has a lot of potential and that potential can help accomplish wonders. That is why it is fair to say that we thus believe that the future of the nation starts here.

The session 2019-20 has been a great year, and I consider it a moment of pride to showcase to you all the achievements and development that the school, staff and students undertook.

The school currently has strength of 805 students.

03 new teachers joined this session to strengthen the academic performance of the school.

Last session class XII and class X result was good. In class XII Ms. Shivani Kheralia got first position securing 89% marks and in class X Ms. Ritu Kaushik got first position securing 95.8% marks.

Our students Ms. Shivani and Ms. Ritu Kaushik got merit certificate in Hindi subject in Board Exam and Master Yash Goyal got merit certificate in Mathematics.

Vision determines directions of effort and prioritizing deployment of resources at our disposal and our vision is to take every step in achieving excellence.

Co-Curricular Activities:

By providing a conducive and encouraging environment, the students are mentored to participate in a variety of intra and inter-school activities/competitions. It enables the students to grow confidence, knowledge and enhance their all-round development.

For Primary Level various activities are conducted like

Painting, Thumb painting, Clay modeling, Art and Craft. Poem recitation, storytelling etc.

For Secondary Level and senior secondary level following activities are conducted

Dance, Singing, speech, drawing debate, declamation, extempore, Quiz, etc.

School teams participated in Chess cluster, Volleyball cluster Kho-Kho cluster, and athletics. The performance of the students has provided us an immense confidence that in near future our students will be able to achieve podium finish.

Various clubs are introduced for skill development and to generate interest and encourage students to bring out creativity.

School Empowerment Program:

Constant improvement is the key to success. In this Endeavour we have introduced a few infrastructural and other developments.

1. Shade for conduction of functions. And indoor games
2. More CCTV for better safety and security of students.
3. Smart class for improving teaching and learning processes.

To conclude, this year, we all took more collective steps towards our vision and while one step was taken, many more are to go and it is certainly achievable.
